IT Un audace dialogo tra classico e contemporaneo: una sfida sulla carta impossibile, ma che diventa realtà grazie all'esperienza e alla qualità made in Italy di Kerasan, che nasce da una filiera interamente controllata e da una selezione accurata delle materie prime, lavorate internamente con competenza artigianale e precisione industriale. Ogni impasto è studiato per garantire solidità, armonia delle forme e perfezione nel tempo, dando vita a prodotti che uniscono bellezza, affidabilità e rispetto per il territorio, autentica espressione dei valori del brand.

EN A bold dialogue between classic and contemporary: a challenge that may seem impossible, but becomes reality thanks to Kerasan's experience and Made-in-Italy quality. This is made possible by a fully controlled supply chain and the careful selection of raw materials, crafted in-house with artisanal expertise and industrial precision. Each composition is designed to ensure solidity, harmony of form, and lasting perfection, resulting in products that combine beauty, reliability, and respect for the environment, an authentic expression of the brand's values.

IT Lo stile classico si accende con colori contemporanei. Le forme rassicuranti degli elementi diventano pop grazie a una palette completamente rinnovata, con colori creati appositamente per stupire e affascinare e nuove finiture lucide e matt. Il contrasto è invitante, il risultato finale è una libertà espressiva che abbatte le regole.

EN Classic style comes to life in contemporary colors. The familiar shapes of the elements take on a pop character thanks to an entirely new palette, featuring colors designed to surprise and captivate, along with new glossy and matte finishes. The contrast is inviting, and the final result is a sense of expressive freedom that breaks all the rules.

THE NEW YORKER Design Alessandro Paoletti

IT The New Yorker esplora la linea sottile che divide il classico dal contemporaneo con elementi dalle linee pulite e minimali, ammorbidite da inaspettati dettagli ricurvi. Un linguaggio essenziale, fatto di contrasti calibrati e volumi puri; uno stile sobrio ma non neutro, pensato per ambienti che raccontano una personalità forte, libera e consapevole.

EN The New Yorker explores the delicate balance between classic and contemporary with elements featuring clean, minimal lines softened by unexpected curves. An essential language, made of carefully balanced contrasts and pure volumes; a sober yet expressive style, designed for spaces that convey a strong, free, and self-aware personality.
